This pricelist is for estimating a general floral budget and is intended as an overview based on average prices for select arrangements. Actual costs may be higher or lower depending on the flowers chosen, the designs and the time of year your wedding takes place. Sales tax as required by state law, delivery and set up charges are not included.

Delivery and setup are typically 12-18% of the floral order, but actual costs will be determined by location and complexity of the setup.
